Occupying an elevated position, this graceful solid brick family home, surrounded by delightful trees has an abundance of space and natural light from the north. Maintaining many original features of the era including leadlight windows, decorative high ceilings and picture rails, there is still scope to further update this grand residence to perfectly blend original charm with modern luxuries.

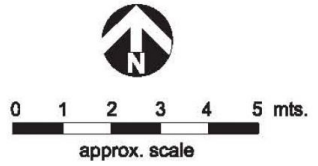

The inviting entrance hall leads through to the formal lounge and separate formal dining (both with OFP) with three downstairs bedrooms serviced by main bathroom. The well equipped kitchen and adjacent family/meals proceed into the generously sized living room which flows out onto paved entertaining area and most favourable northern rear yard.
